

## Eps shape Moulding Machine

Ningbo PinSheng Machinery Manufacturer ("PINGSHENG" in short) was established in 2010. With professional R&D team, PINSHENG Machinery has become one of the largest and outstanding manufacturers of Pinsheng® EPS Pre-expander, Eps shape Moulding Machine, EPS Cutting Machine, EPS mould, EPP Machine, ETPU Machine. If you are interested in Eps shape Moulding Machine, contact with us now, we are

ready to serve you!

### Product Description

Well-run tools, qualified sales crew, and superior after-sales providers; We are also a unified huge spouse and children, all people keep on with the corporate value "unification, devotion, tolerance" for High quality cheap price Pinsheng® Eps shape Moulding Machine, We're looking ahead to forming thriving business enterprise relationship with new clients in the vicinity of future!

High quality cheap price Eps shape Moulding Machine, Our products and solutions are exported worldwide. Our customers are always satisfied with our reliable quality, customer-oriented services and competitive prices. Our mission is "to continue to earn your loyalty by dedicating our efforts to the constant improvement of our merchandise and services in order to ensure the satisfaction of our end-users, customers, employees, suppliers and the worldwide communities in which we cooperate".

We are providing quality Eps shape Moulding Machine to worldwide clients, our machines are loved by customers because of their accuracy and high production efficiency.

Model: PSSM1412

Brand: PinSheng

### Product Parameter (Specification)

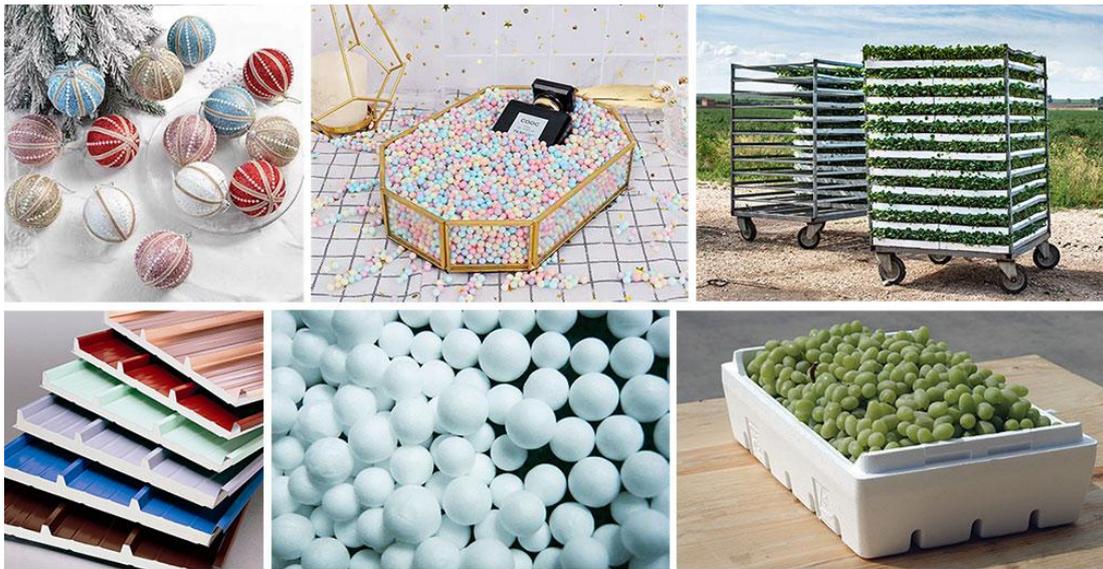

1. Mechanical structure	Our Eps shape Moulding Machine adopts good quality steel plate, all the formwork is tempered at high temperature and shot peening at high pressure. It has high strength and high surface hardness. All templates are processed by CNC to ensure accuracy.
2. Steam System	Our Eps shape Moulding Machine provides long range control system reducing valve for stabilizing flow, with control accuracy $\pm 0.2$ Bar.
3. Electrical control	Our Eps shape Moulding Machine adopts all worldwide well-known components, such as Taita touch screen, Low-voltage electrical appliances.

	<p>are with the brand Schneider. Through steam pressure,main steam pressure,demoulding,air cooling,and pressurized feeding all adopt remote pressure regulating system,valves open and close according to the set pressure ratio, it is very easy to operate.</p>
<p>4.Hydraulic System</p>	<p>A digital encoder of the Eps shape Moulding Machine is used to control the stroke distance of mold opening and clamping,it can keep the safety protection function of the mechanical,hydraulic and electrical tripe interlocking so as to meet the safety standard.</p>

**Product Feature And Application**

Pinsheng® Eps shape Moulding Machine is applicable to produce all kinds of product like EPS vegetable boxes,fishing boxes,ice cream boxes,because of its light and cost-effective advantages, EPS products are widely used in every area of our daily lives.

### Deliver, Shipping And Serving

### .FAQ
